How is the shirt honoring the NZ shooter? I don't see it.

It's him drawn as an anime girl with a Halo doing a Catholic saint pose. Note the gun with the writing on it and the manifesto tucked under his/her arm

Philosopher_1 6 points · 14 days ago
Idk if it's drawn as a girl, just long hair making the anime character look like girl.

The person on it is the NZ shooter, even has the gun with all the writing and such.
