I want to begin with a few relevant events that happened before Q started posting, to help set the stage.

# Donald Trump interview with Rona Barrett

October 6, 1980

**Rona Barrett:** You are a mover. You are a doer. If you could make America perfect, how would you do it?

**Donald Trump:** Well, I think that America is a country that has tremendous, tremendous potential. I think that much like the mind I think that America is using very, very little of its potential. **I feel that this country with the proper leadership can go on to become what it once was, and I hope, and certainly hope, that it does go on to be what it should be.**

**Rona Barrett:** What should it be?

**Donald Trump:** It should really be a country that gets the respect of other countries.

**Rona Barrett:** Is respect the most important thing in your opinion?

**Donald Trump:** Respect can lead to other things. When you get the respect of the other countries, then the other countries tend to do a little bit as you do, and you can create the right attitudes. The Iranian situation is a case in point. That they hold our hostages is just absolutely, and totally ridiculous. That this country sits back and allows a country such as Iran to hold our hostages, to my way of thinking, is a horror, and I don't think they'd do it with other countries. I honestly don't think they'd do it with other countries.

---

**Rona Barrett:** For some people the ultimate goal in life has been becoming the President of the United States, would you like to be the President of the United States?

**Donald Trump:** I really don't believe I would, Rona. But I would like to see somebody as the president who could do the job, and there are very capable people in this country.

**Rona Barrett:** Most people who are capable and not running for office. Most men are frightened of politics today.

**Donald Trump:** It is a shame, isn't it?

**Rona Barrett:** Yes.

**Donald Trump:** *It is a shame. The most capable people are not necessarily running for political office, and that is a very sad commentary on the country. They head major corporations, and they head this and that, but they are not running for political office.*

**Rona Barrett:** *Why wouldn't someone like yourself run for political office? You have all the money that you possibly need. You've accomplished a great deal even though you are only 34. I know there's a lot of things that you possibly can do in the years ahead. Why wouldn't you dedicate yourself to public service?*

**Donald Trump:** *Because I think it's a very mean life. I would love, and I would dedicate my life to this country but I see it as being a mean life, and I also see it in somebody with strong views, and somebody with the kind of views that are maybe a little bit unpopular, which may be right, but may be unpopular, wouldn't necessarily have a chance of getting elected against somebody with no great brain but a big smile. That's a sad commentary for the political process.*

**Rona Barrett:** *Television in a strange way has ruined that process, hasn't it?*

**Donald Trump:** *It's hurt the process very much. I mean the Abraham Lincoln's of the world. Abraham Lincoln would probably not be electable today because of television. He was not a handsome man, and he did not smile at all. He would not be considered to be a prime candidate for the presidency, and that's a shame, isn't it?*

**Rona Barrett:** *But if all the men are like you, then when are we going to get somebody who might be good?*

**Donald Trump:** *I don't know. I hope it's around the corner, but I don't know. I really don't know. What I would like to be involved in is trying to help choose somebody, or working with a group of people whereby they put up a candidate who would be acceptable to be a presidential, you know, to be the president. The country if we have the one man, and it's really not that big a situation. You know people say, "Well, what could anybody do as president?" **One man could turn this country around. The one proper president could turn this country around. I firmly believe that.***

# **Trump tweets a cartoon version of himself as Pepe the Frog**

October 13, 2015

Trump retweeted a video called “You Can’t Stump the Trump,” along with an image of himself depicted as Pepe the Frog.

Pepe the Frog is very closely associated with the internet boards 4chan and 8chan (Q began posting on 4chan and then moved to 8chan), and can pretty much be considered the official symbol of the boards.

July 30, 2016

(about 3 months before the election)

Trump retweeted the Twitter account @patrioticpepe, a pro-Trump Pepe-based account.

Those on 4chan took notice and created a thread to spread the word.

You can see the Prime Minister of Greece, Alexis Tsipras (the guy in the second row on the left), looking at Trump doing the pose and laughing.

He and the Prime Minister of Hungary, Viktor Orbán (purple tie behind Trump), even seemed to be in on it, as they helped to draw attention to Trump as he did it. It looked very orchestrated. # “The calm before the storm”

October 5, 2017

President Trump unexpectedly called the press reporters to come in to the White House for a photo op on a Thursday night. Many military leaders were included in the photo.

**Trump:** Do you know what this represents? Maybe it's the calm before the storm.

**Reporter 1:** What's the storm?

**Trump:** Could be, the calm. The calm before the storm.

**Reporter 2:** On Iran? On ISIS? On what?

**Reporter 3:** What storm, Mr. President?

**Trump:** We have the world's great military people in this room, I will tell you that. And we're gonna have a great evening.

**Reporter 3:** What storm, Mr. President?

**Trump:** You'll find out.

POTUS will not go on tv to address nation.  
POTUS must isolate himself to prevent negative optics.  
POTUS knew removing criminal rogue elements as a first step was essential to free and pass legislation.

Some of us come here to drop crumbs, just crumbs.  
POTUS is 100% insulated - any discussion suggesting he's even a target is false.  
POTUS will not be addressing nation on any of these issues as people begin to be indicted and must remain neutral for pure optical reasons. To suggest this is the plan is false and should be common sense.

Focus on Military Intelligence/ State Secrets and why might that be used vs any three letter agency  
What SC decision opened the door for a sitting President to activate - what must be showed?  
Why is POTUS surrounded by generals ^^  
Again, there are a lot more good people than bad so have faith.  
This was a hostile takeover from an evil corrupt network of players (not just Democrats).

Don't fool yourself into thinking Obama, Soros, Roth's, Clinton's etc have more power present day than POTUS.

“Alice & Wonderland” is a reference to Hillary & Saudi Arabia. Saudi Arabia was one of Hillary’s biggest donors – but the people in Saudi Arabia who funded her were the ones arrested in the purge.

Q first used “Alice & Wonderland” in the SA related posts on November 2 – two days before the purge happened.

This first proof provides a great opportunity to show how Q's drops work. In most cases, Q can't just tell us exactly what is going to happen, like in the case of the Saudi purge. So, Q drops pieces that can be put together once the event actually happens. Once the pieces are put together, they show that Q knew the event was going to happen beforehand.

In this case, Q made many drops about the military (see introduction), and at the same time, made many separate drops about Saudi Arabia – but never connected the two. Q even gave the dates a military-related event would happen: 11/3-11/4. Then, on 11/4, martial law was declared in Saudi Arabia and dozens were arrested. Once this happened we were able to go back, reread Q's drops, and put the pieces together.

Get the popcorn, Friday & Saturday will deliver on the MAGA promise. POTUS knows he must clean house (gov't) in order to 'free up' and demonstrate who has authority in order to pass important legislation. This was always the priority. Remember, AG Sessions cannot look like an impartial player that is out to get all former Obama team members as we need him for other important work. All will come into focus and for anyone to think POTUS is not in control is kidding themselves. Also, he's 100% insulated with zero risk of impeachment (fact).

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

ANSWERS

Here, Q mentions the arrest announcement of a big-named politician in the US, Mr. Podesta, occurring on 11/4 – this did not happen, but a big-named politician in Saudi Arabia, Prince Alwaleed bin Talal, was arrested on 11/4.

“Disinformation is necessary.”

Q cannot explicitly state exactly what is going to happen, he can only “drop crumbs” that can be understood once the event actually happens.

Q even said, “a state of temporary military control will be actioned,” telling us that martial law would be declared. “Public riots are being organized ... to prevent the arrest and capture of **more senior public officials.**” Q was signaling that there would be more than one government official arrested – there were 10+ arrested in Saudi Arabia.

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted

11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. They never thought they were going to lose control of the Presidency (not just D's) and thought they had control since making past mistakes (JFK, Reagan).

Good speed Patriots.

# A rogue Twitter employee shut down Donald Trump's account

*For 11 beautiful minutes, the President was off Twitter*

By Casey Newton | @CaseyNewton | Nov 2, 2017, 7:10pm EDT

President Donald Trump's personal Twitter account appeared to be offline on Thursday at around 7:00 p.m. eastern time.

The account was restored several minutes later, but many on Twitter took note of the account's disappearance.

At around 8:00 p.m., the official Twitter Government account tweeted that Trump's account "was inadvertently deactivated due to human error by a Twitter employee."

"The account was down for 11 minutes, and has since been restored," Twitter Government said. "We are continuing to investigate and are taking steps to prevent this from happening again."

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

# Another picture of Hong Kong from plane

Thursday, November 9, 2017

(2 days after the other Hong Kong plane picture)

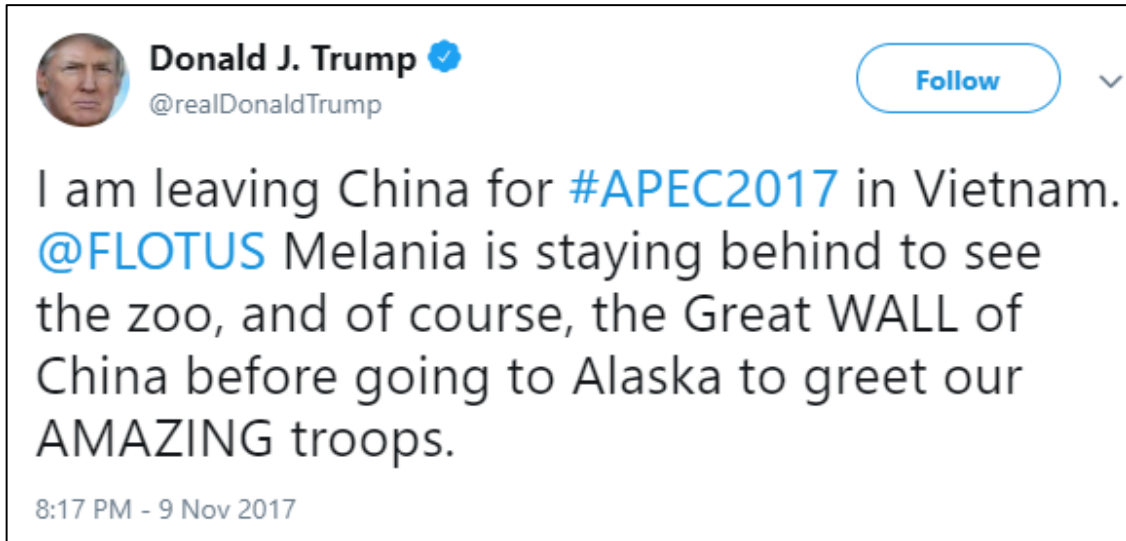

## Theorizing

For this one, Trump gave us some clues using Twitter:

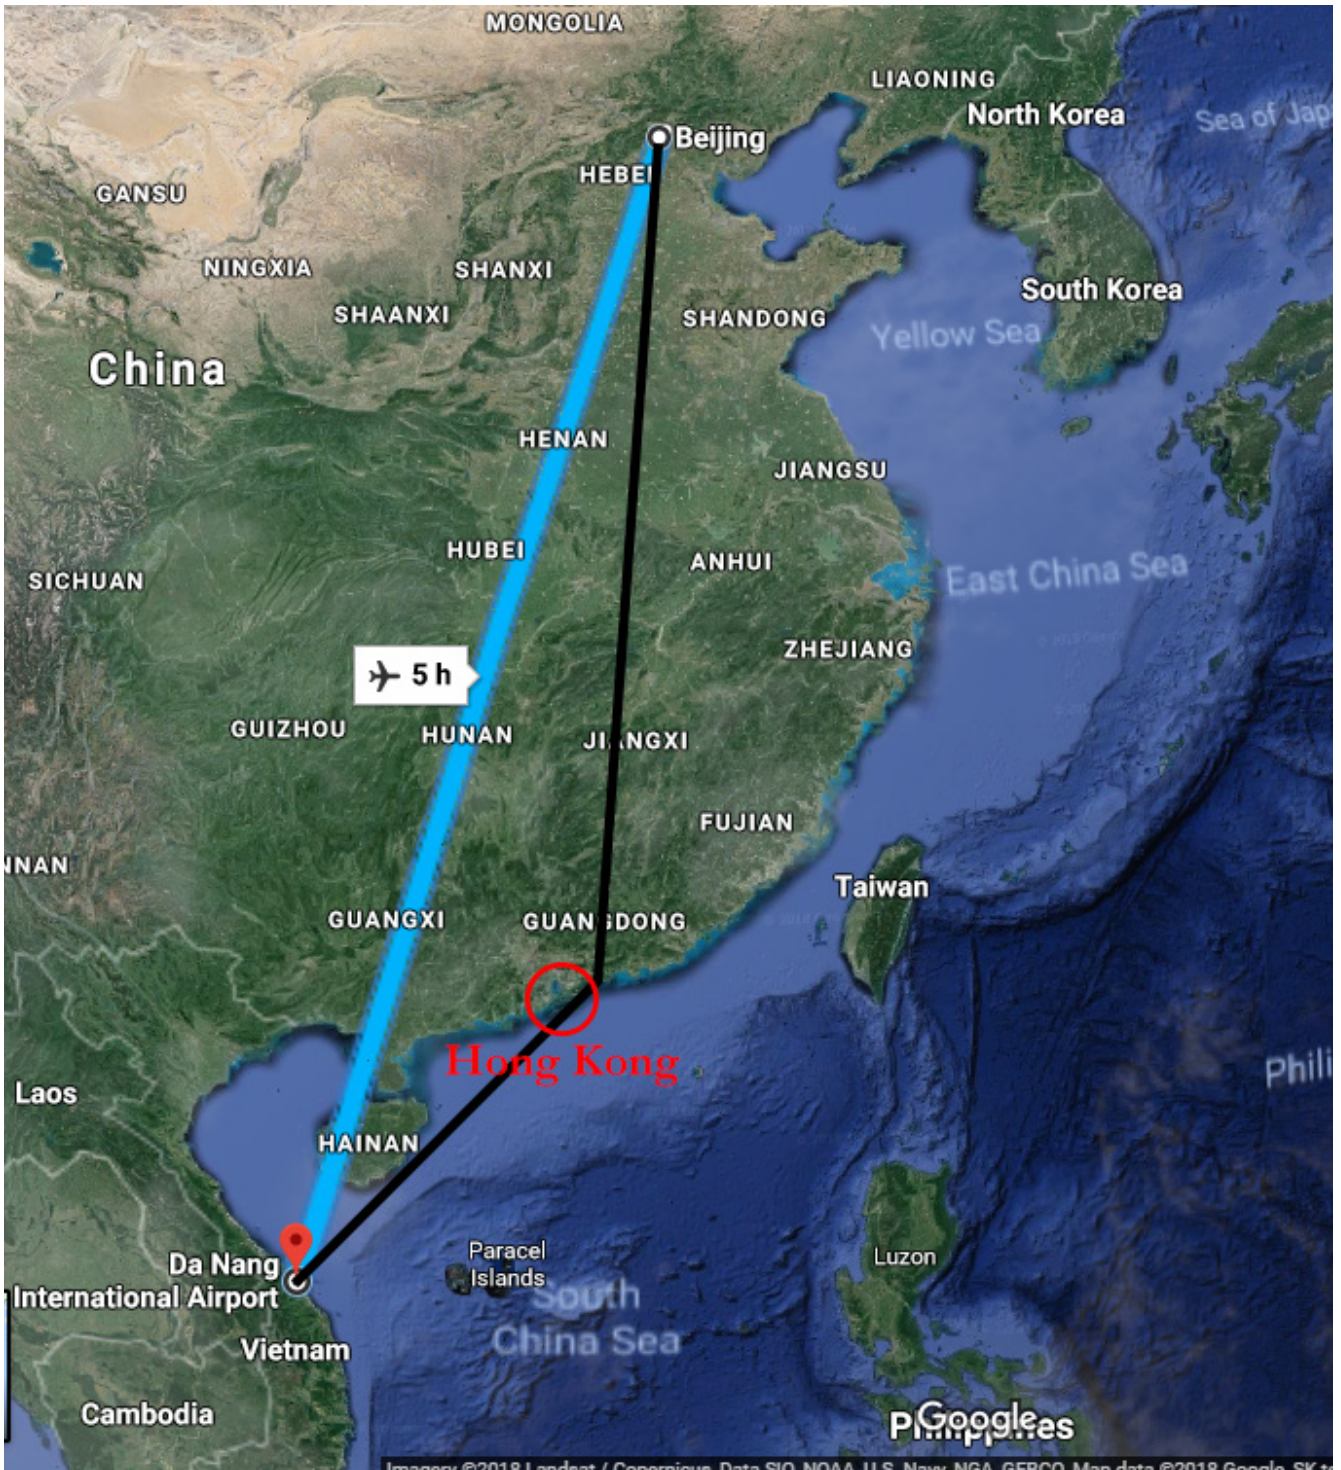

Trump left China at 8:17 PM EST on Nov 9

Q posted the picture from the plane at 11:31 PM EST (3 hours 14 minutes after taking off)

Trump arrived in Da Nang, Vietnam at 12:45 AM EST

So, if Trump tweeted right when they took off, and then again right when they landed, it would indicate a 4-hour 28-minute flight.

Line 1 is 460 pixels long and line 2 is 130 pixels long, making the total trip 590 pixels. This makes line 1 worth  $(460/590 = 0.7796)$  77.96% of the trip. Because line 1 begins where the trip begins and ends around Hong Kong, where the picture was taken, we can estimate about what time Trump's plane would be near Hong Kong using his takeoff/landing tweets as markers. Using those markers, the trip was 4.6667 hours long (4 hours 28 minutes). 77.96% of the trip would be  $(0.7796 * 4.6667)$  3.6381 hours. So, the plane would be around Hong Kong 3.6381 hours in (3 hours 38 minutes). 3 hours 38 minutes after takeoff (8:17 PM EST) would be 11:55 PM EST. Q posted the picture at 11:31 PM EST, so the difference between the theoretical model and the actual time is only 24 minutes. Keep in mind the theoretical model is not perfect. It's also possible that Trump's tweets weren't sent out exactly at takeoff and landing, so the actual times may have been a little different. Given these potential errors, 24 minutes is very close. It seems that Q is on board Air Force 1.

*Keep in mind that this is just theorizing. If we have the correct location of the picture, the picture was taken looking west. You can see the sun, so that would mean the sun was in the west, meaning the picture was taken in the afternoon rather than in the morning. If it was taken on the flight down to Vietnam, like the theory above says, it would've been morning there (around 11 AM local time), so the sun would've been in the east and wouldn't have been visible in the picture.*

*So it's possible that Q took the picture at a different time, but sent it at that time to help us get the idea of where they were (they still would've been around that point in the flight down to Vietnam, it just means that the picture itself was taken at a different time).*

## Aylesbury mid-air crash: Four dead as plane and helicopter wreckage lands near Rothschild manor house

By **Patrick Sawyer**, SENIOR REPORTER and **Nicola Harley**

17 NOVEMBER 2017 • 7:52PM

**F**our people have been killed in a mid-air collision between a helicopter and light aircraft flying from an airfield where air traffic control had been shut due to “staff shortages”.

Wreckage from the aircraft tumbled from the sky and landed just over a mile from the former home of the Rothschild banking family at Waddesdon Manor in Buckinghamshire, yesterday lunchtime.

Members of the Rothschild reported hearing a “loud bang” and a plume of smoke could be seen above trees.

The Air Accidents Investigation Branch said the collision involved a helicopter and a two-seat Cessna 152 aircraft, each carrying two people, both of the craft had taken off from Wycombe Air Park, 23 miles away near High Wycombe.

A Notice to Airmen was previously issued to warn pilots the air field's air traffic control services would be closed during three 30-minute periods on selected days between November 7-30 due to a "staff shortage".

A member of the Rothschild family said the collision missed her by five minutes.

The woman, who did not want her full name published, said she heard a loud bang while she was driving her car to a dog grooming event, near Waddesdon, in Buckinghamshire.

Just five minutes earlier she had been picking a plant in the Wilderness Woods, the scene of the crash site, on the Waddesdon Estate.

"I'm totally shocked," she said. "I heard a loud bang, which I thought was a car crash."

**A**n aviation student who dreamt of becoming a pilot was killed along with three other people when his plane hit a helicopter near the Rothschild's Buckinghamshire estate on Friday.

Friends have paid tribute to 18-year-old Saavan Mundaie, from Buckinghamshire New University's aviation course, saying he died doing what he "loved and believed in".

It is the second time in six years tragedy has struck the course, which lost one of its students when the plane she was flying crashed in a Florida swamp.

Also killed when the student's Cessna 152 crashed into a helicopter on Friday was his flight instructor, the helicopter pilot and his passenger.

Captain Mike Green, the pilot of the helicopter, had taken a passenger on a 'gift' sightseeing tour' when his helicopter was hit by the Cessna.

A former colleague, Captain Phil Croucher, said: 'I shared a cup of tea with him only on Thursday morning. He was a true gentleman. He was probably the most well-respected instructor in the country. He achieved a very high position within the Army as an instructor.

'He was an absolutely dedicated instructor. If you wanted a training instructor there's no one more highly qualified. Almost everybody in the country has been instructed by him. Most instructors have been trained by him.'

ANSWERS

*Q hints to investigate and figure out where the plane was when the video was recorded.*

*The shot out the window.*

*The key to getting this shot to match up with a location on Google Maps was to flip it, to get the mirror image. Here's the flipped version:*

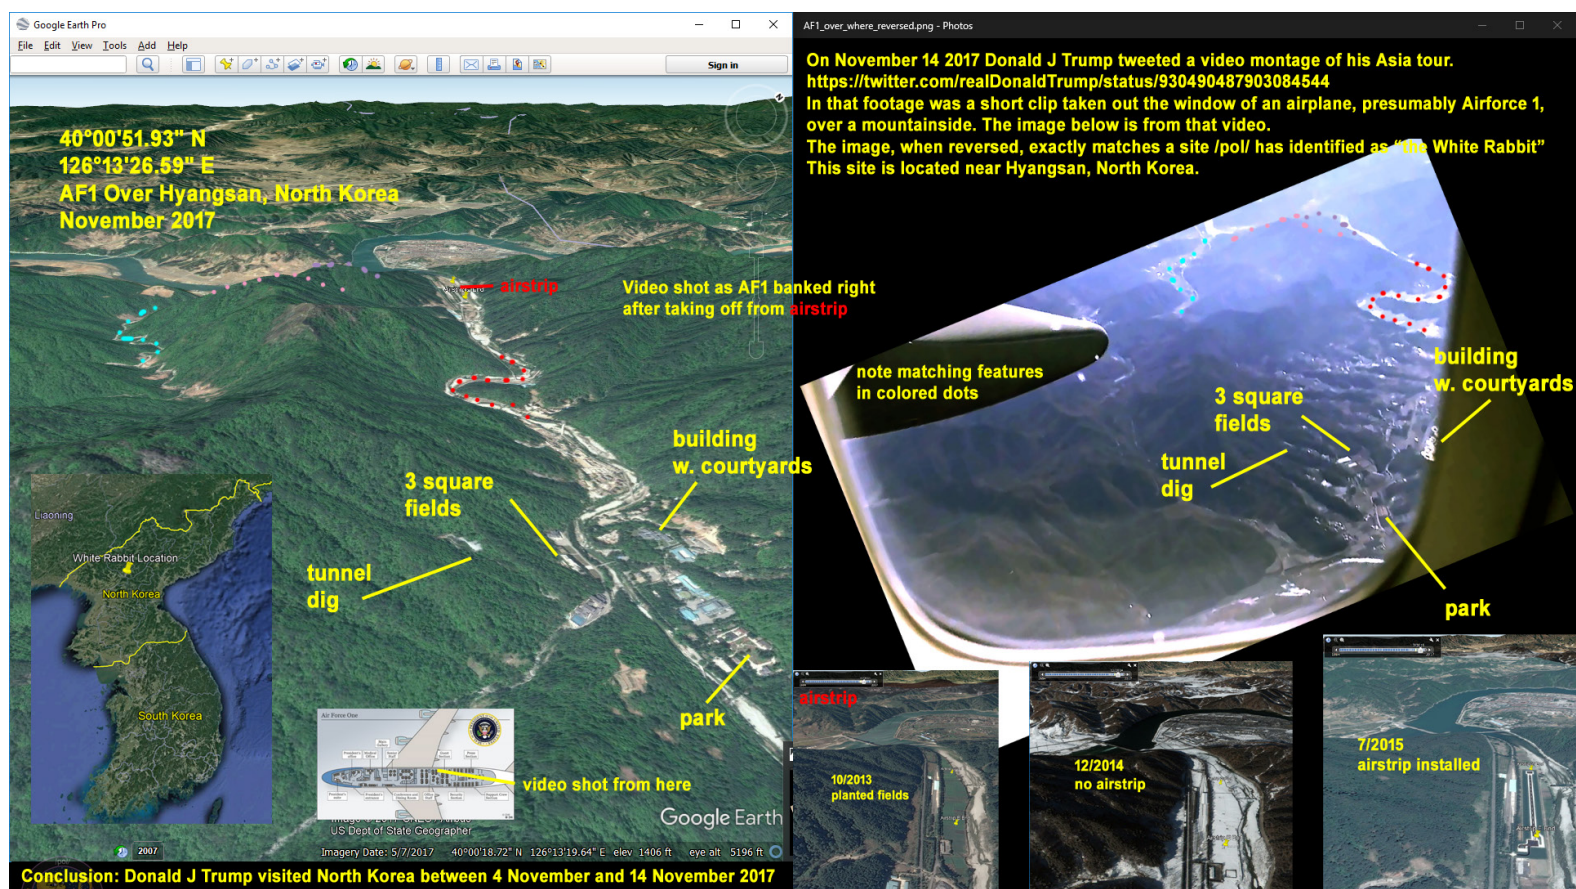

*The shot matches up with Hyangsan, North Korea. A side-by-side image is shown on the next page for easy comparison.*

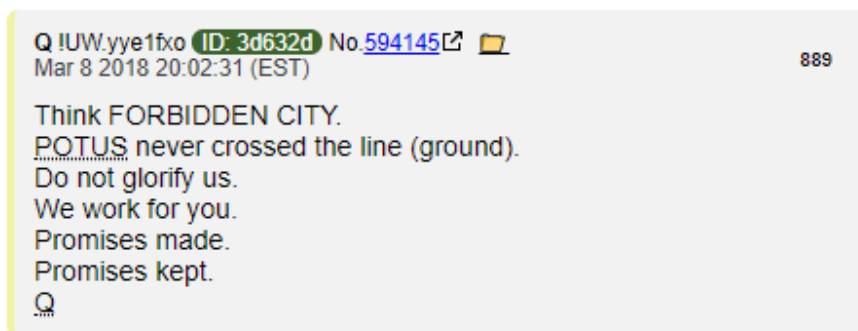

When this shot was taken, the plane was low to the ground, and, as you can see in the left part of the graphic above, near an airfield. This shows that Trump may have stopped in North Korea on his Asia trip somewhere between November 4<sup>th</sup> and November 14<sup>th</sup> – even though this was not announced to the public at all.

They purposely posted this specific shot in the video, knowing we would be able to find the location.

Did Trump actually stop in North Korea, or did he meet Kim somewhere else? Q gave us a hint a few months later.

Thursday, March 8, 2018

“Think FORBIDDEN CITY.”

“POTUS never crossed the line (ground).”

Is Q saying that Trump actually met with Kim in the Forbidden City (Beijing, China), when he visited there?

So, we only have two possible explanations (that I could think of):

1. Trump stopped in North Korea (he never crossed the line (ground) because he crossed the line in the air).
2. Trump met with Kim in the Forbidden City and had Kim’s crew record that video for them as they were flying out.

Looking at the places Trump stopped on his Asia trip, it wouldn't make much sense to fly over Hyangsan, North Korea, unless he was stopping there. The red map marker is Hyangsan. Country-related tweets are listed below.

Country-related tweets by Trump:

Nov. 3, 10:07 PM: "Thank you for such a beautiful welcome Hawaii. My great honor to visit @PacificCommand upon arrival. Heading to Pearl Harbor w/ @FLOTUS now."

Nov. 4, 9:59 PM: "Just gave a speech to the great men and women at Yokota Air Base in Tokyo, Japan. Leaving to see Prime Minister Abe."

Nov. 5, 5:25 AM: "Thank you to President Moon of South Korea for the beautiful welcoming ceremony. It will always be remembered."

Nov. 7, 11:57 PM: "Leaving South Korea now heading to China. Looking very much forward to meeting and being with President Xi!"

Nov. 8, 9:27 AM: "On behalf of @FLOTUS Melania and I, THANK YOU for an unforgettable afternoon and evening at the Forbidden City in Beijing, President Xi and Madame Peng Liyuan. We are looking forward to rejoining you tomorrow morning!"

Nov. 9, 8:17 PM: "I am leaving China for #APEC2017 in Vietnam. @FLOTUS Melania is staying behind to see the zoo, and of course, the Great WALL of China before going to Alaska to greet our AMAZING troops."

Why would he want to target himself and those he cares about?

Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.

Perhaps he could not in good conscious see the world burn.

## **FBI's Strzok and Page spoke of 'secret society' after Trump election, lawmakers say**

Two top FBI officials under fire for exchanging anti-Trump text messages during the 2016 election spoke of a “secret society” the day after President Trump’s victory, according to two lawmakers with knowledge of the messages.

Peter Strzok -- a top counterintelligence official involved in both the Hillary Clinton email probe and FBI Special Counsel Robert Mueller’s Russia probe -- exchanged more than 50,000 messages with senior FBI lawyer Lisa Page, with whom he was romantically involved.

House Oversight and Government Reform Committee Chairman Trey Gowdy, R-S.C., and Rep. John Ratcliffe, R-Texas, said Monday that among the messages the pair exchanged are references to a “secret society” within the Department of Justice and the FBI.

“We learned today about information that in the immediate aftermath of [Trump’s] election, that there may have been a secret society of folks within the Department of Justice and the FBI -- to include Page and Strzok -- that would be working against him,” Ratcliffe said Monday on Fox News’ “The Story with Martha MacCallum.”

*They just learned that day (1/23/2018) about this meeting; Q knew about it long before they found out.*

"I'm not saying that actually happened, but when folks speak in those terms, they need to come forward to explain the context with which they used those terms," he added.

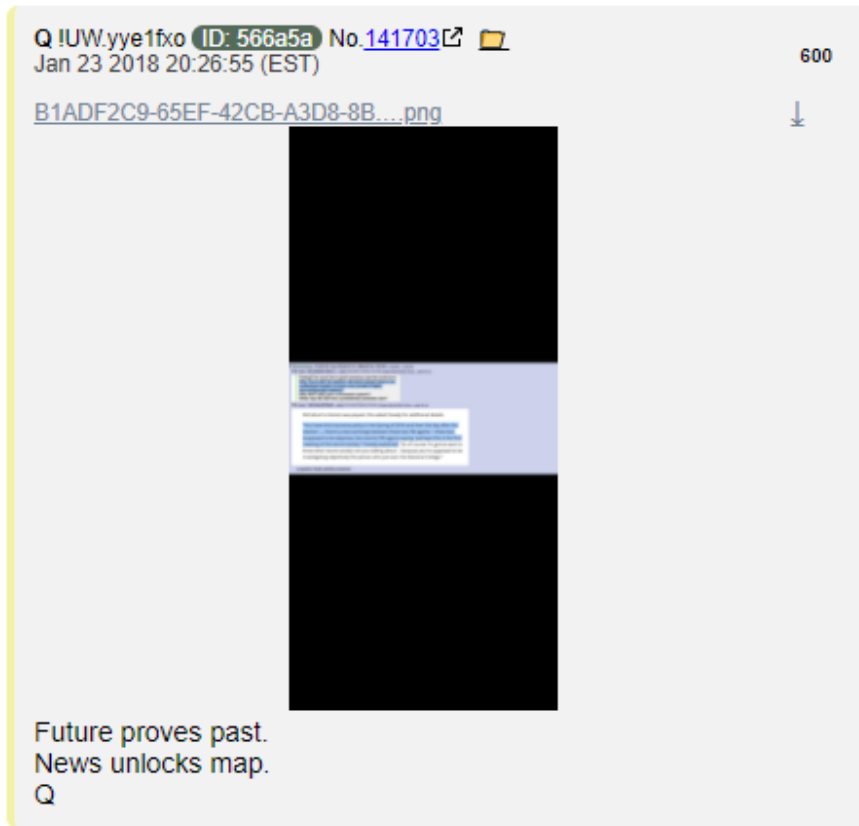

Gowdy said the "secret society" reference occurred the day after Trump won the presidential election in November 2016.

"There's a text exchange between these two FBI agents, these two supposed to be objective fact-centric FBI agents, saying that perhaps this is the first meeting of the 'secret society,'" Gowdy said.

"So of course I'm going to want to know what secret society you're talking about because you're supposed to be investigating objectively the person who just won the Electoral College; so yeah I'm going to want to know," he said.

#### **MORE THAN 50,000 TEXTS EXCHANGED BETWEEN FBI OFFICIALS STRZOK AND PAGE, SESSIONS SAYS**

It isn't the first time the messages have raised questions about what may have been going on at the FBI. In one previously released message, Strzok appeared to make reference to an "insurance policy" against a Trump win.

*The picture Q posted was of a post an anon made earlier, making the connection that I pointed out above.*

# MAGAPILL.com

Saturday, November 25, 2017

Trump tweeted about MAGAPILL.com, which is a website that lists all of the Trump administration's accomplishments.

Just six days before that tweet, MAGAPILL wrote an article about Q. The article was headlined on the main page of the website since it was recent.

The screenshot shows the top portion of the MAGAPILL website. At the top left is the logo, which consists of a stylized American flag icon followed by the word "MAGAPILL" in a bold, sans-serif font. Below the logo is a row of social media icons for Plus, Facebook, Twitter, Google+, Reddit, Pinterest, Tumblr, and Email. The main heading of the page is "President Donald Trump's Ac", with the word "Accomplishments" cut off. Below the heading is a navigation bar with three tabs: "Trump Accomplishments", "Trump News", and "VOTE 2018". The article title is "QAnon: The Storm and The Awakening", followed by the subtitle "An introduction article into the QAnon posts" and the date "11.19.2017".

The screenshot shows a forum thread with two posts. The first post is from an "Anonymous" user with ID "88fa47" and number "21481", dated "Jan 7 2018 23:04:11 (EST)". The post content is ">>21439 Thank you for confirmation so that we may move fwd with established comms." The second post is from user "IUW.yye1fxo" with ID "c67299" and number "21574", dated "Jan 7 2018 23:09:58 (EST)". The post content is ">>21481 Graphic form for each correlation a MUST. ## ***Bomber Strikes Near Times Square, Disrupting City but Killing None***

By [Sarah Maslin Nir](#) and [William K. Rashbaum](#)

Dec. 11, 2017

A would-be suicide attacker detonated a pipe bomb strapped to his body in the heart of Manhattan's busiest subway corridor on Monday, sending thousands of terrified commuters fleeing the smoke-choked passageways, and bringing the heart of Midtown to a standstill as hundreds of police officers converged on Times Square and the surrounding streets.

But the makeshift weapon failed to fully detonate, and the attacker himself was the only one seriously injured in the blast, which unfolded just before 7:20 a.m.

The suspect, Akayed Ullah, 27, was taken to a hospital after suffering burns from the explosive device, which was attached to his body with Velcro and zip ties and did not fully ignite, officials said. Investigators told Reuters they believe the attack in midtown Manhattan was intended to be a suicide bombing.

The blast, which occurred around 7 a.m. (1200 GMT) in a busy underground passageway between the subway station underneath the Port Authority Bus Terminal and the Times Square subway station, sent commuters fleeing for the exits and police officers rushing to the scene, as officials scrambled to reroute trains and shut down streets.

Three people, including a police officer, suffered minor injuries.

NEW YORK (Reuters) - [A Bangladeshi man](#) set off a homemade pipe bomb strapped to his body in a crowded New York City commuter hub during the morning rush hour on Monday, officials said, immediately calling it an attempted terrorist attack.

*Q posted "**B**lunt & **D**irect **T**ime" the night before the attempted bombing, with the first letter in each word being capitalized. Right after that, he posted again, saying, "False flag(s)" and "Expect fireworks."*

*Around 7:20 AM EST, about 8 hours after Q's posts, a man tried to set off a bomb in the NYC subway.*

*5 hours later, Q posted "Blunt & Direct Time" again, pointing out that he emphasized "BDT" by capitalizing the first letter in all three words. He said to "think currency." BDT, in terms of currency, stands for Bangladeshi Taka, the official currency of Bangladesh. The man who tried to set off the bomb was from Bangladesh. The Q team had foreknowledge of the attack and the attack was thwarted.*

I'm from SoCal, everybody worked their ass off to win in space, so many people that made a lot of money in the 70s till 80s, it was a dream to make your country the greatest on earth, so many dreams destroyed, a fountain of talent squashed and sold out, it really hurts, we really cried when we watched each shuttle launch and knew we did that

- Trump said the idea started as a joke, but then he decided it was "a great idea."
- "Space is a war-fighting domain, just like the land, air, and sea," said the president.

# Trump directs Pentagon to create military Space Force

f Share /  Tweet /  Reddit /  Flipboard / @ Email

President Trump officially directed the Pentagon to establish a sixth branch of the U.S. military in space on Monday. Speaking at a National Space Council meeting at the White House, Mr. Trump called for a "space force" to ensure American dominance on the high frontier.

The president also signed his administration's third Space Policy Directive, calling for establishment of new protocols and procedures to manage and monitor the increasing numbers of satellites in low-Earth orbit and the tens of thousands of pieces of space junk and debris that pose an increasing threat to costly spacecraft.

The directive follows on the heels of two other major space policy initiatives being implemented by the National Space Council, one calling for returning humans to the moon before eventual missions to Mars and another aimed at streamlining the federal space bureaucracy to reduce red tape and streamline licensing and oversight of **commercial space activity**.

# WikiLeaks tweeted, deleted, and then reposted a link to the full text of the explosive book about the Trump White House

Sonam Sheth Jan. 7, 2018, 10:59 PM

It's unclear why WikiLeaks tweeted out a link to the full text of the book, which Trump has dismissed as "a work of fiction" and his aides have called "a pile of garbage." The organization did not immediately respond to a request for comment.

WikiLeaks is promoting a pirated copy of Michael Wolff's *Fire and Fury*, a bestselling book on Donald Trump's first year in office. Yesterday, [it tweeted](#) a Google Drive link described as a full PDF of *Fire and Fury*. It deleted that tweet, but [re-posted the link](#) with an added degree of separation, saying that the book had "leak[ed] onto internet." Google has since removed the file in question.

We don't know exactly why WikiLeaks, whose stated specialization is publishing "censored or otherwise restricted" official documents, shared the text of a widely available published work. The White House has condemned *Fire and Fury* for its unflattering portrayal of Trump, and [one theory](#) holds that WikiLeaks is [trying to sabotage](#) the book's commercial success, particularly [since it sought](#) the Trump campaign's approval in 2016. WikiLeaks [derided this explanation](#) online, saying that "[WikiLeaks] reports on leaks. Hint: It's in the name." (That said, pirated book copies aren't usually called "leaks.") The organization did not immediately reply to a Twitter message requesting comment.

Q and O are very far apart from each other on a QWERTY keyboard so it's an unlikely mistake to make unless it was intentional – and it's especially unlikely to make the same mistake twice on two separate chapters that are not even next to each other in the book.

The book had 22 chapters; 14 had O's in the chapter titles, but only two had the O's replaced with Q's.

Two [Q] Chapters.

This is also significant because Wikileaks tweeted the link to the book just a few hours before Q posted "Two [Q] Chapters." One of the chapters started on page 91, and the other started on page 146. So, Q had to have known about this beforehand – otherwise, he would've had to have read nearly half of the book in a few hours' time.

BALLISTIC MISSILE THREAT INBOUND TO HAWAII. SEEK IMMEDIATE SHELTER. THIS IS NOT A DRILL.

An image of the alert sent to cellphones on Saturday morning.

By [Adam Nagourney](#), [David E. Sanger](#) and [Johanna Barr](#)

Jan. 13, 2018

An early-morning emergency alert mistakenly warning of an incoming ballistic missile attack was dispatched to cellphones across Hawaii on Saturday, setting off widespread panic in a state that was already on edge because of escalating tensions between the United States and North Korea.

The alert, sent by the Hawaii Emergency Management Agency, was revoked 38 minutes after it was issued, prompting confusion over why it was released — and why it took so long to rescind. State officials and residents of a normally tranquil part of the Pacific, as well as tourists swept up in the panic, immediately expressed outrage.

Officials said the alert was the result of human error and not the work of hackers or a foreign government. The mistake occurred during a shift-change drill that takes place three times a day at the emergency command post, according to Richard Rapoza, a spokesman for the agency.

“Someone clicked the wrong thing on the computer,” he said.

At no time, officials said, was there any indication that a nuclear attack had been launched on the United States. The Federal Communications Commission announced that it had begun “a full investigation into the FALSE missile alert in Hawaii.”

## As government shutdown deadline threatens, Congress looks no closer to a deal

- Senate negotiators remained at an impasse with only hours to spare before the government shutdown deadline.
- Chuck Schumer went to the White House to negotiate a possible deal to avoid a government shutdown with President Donald Trump, but no agreement emerged.
- A House-passed bill to fund the government appeared doomed if the Senate took it up later Friday.
- Democrats have opposed a short-term spending bill as frustrations mounted with progress on talks toward a bipartisan immigration deal.

## Democrats Divided: Schumer Touts Budget Deal While Pelosi Bashes

*Chuck Schumer and Nancy Pelosi showed just how divided the Democratic Party is on Wednesday.*

By NTK Staff | 02.07.2018 @2:20pm

The division within the Democratic Party was on full display on Tuesday when Senate Minority Leader Chuck Schumer (D-NY) took the Senate floor to praise a two-year budget deal while, at the same time, House Minority Leader Nancy Pelosi (D-CA) was on the House floor decrying the same agreement.

## "Flood Is Coming": New Comey-McCabe Emails Suggest CNN And FBI Coordination Over Steele Dossier

by Tyler Durden

Hours before Comey briefed Trump, FBI chief of staff James Rybicki e-mailed staff that Comey “is coming into HQ briefly now for an update from the sensitive matter team.” Just as the same officials dubbed the Clinton e-mail investigation the “mid-year exam” and the anti-Trump counterintelligence investigation “Crossfire Hurricane,” they also used various phrases using “sensitive” to refer obliquely to the dossier.

Two days after the briefing, on January 8, 2017, former FBI deputy director Andrew McCabe, who earlier this year was fired and then referred for criminal prosecution by the DOJ inspector general for repeatedly lying about media leaks, wrote an e-mail to top FBI officials with the subject, “Flood is coming.”

The Honorable Christopher Wray  
May 21, 2018  
Page 2

- **January 8, 2017, 12:08 p.m.** Then-FBI Deputy Director Andrew McCabe sent an email to senior FBI leadership with the subject line "Flood is coming."<sup>7</sup> Mr. McCabe wrote, "CNN is close to going forward with the *sensitive story*. . . . The trigger for them [CNN] is they know the material was discussed in the brief and presented in an attachment."<sup>8</sup>
- **January 8, 2017, 12:55 p.m.** Mr. McCabe emailed then-Deputy Attorney General Sally Yates and then-Principal Deputy Attorney General Matthew Axelrod with the subject line "News."<sup>9</sup> Mr. McCabe wrote, "Just an FYI, and as expected, it seems CNN is close to running a story about the *sensitive reporting*."<sup>10</sup>

I ran a Google search and I couldn't find this term being used anywhere (relating to McCabe/these emails) until these new emails came out on 5/21/2018. "Nothing is ever truly deleted" – Q team & NSA have it all.

By [Salman Masood](#)

Feb. 11, 2018

ISLAMABAD, Pakistan — Asma Jahangir, a leading Pakistani rights activist, fearless critic of the military’s interference in politics and a staunch defender of the rule of law, died on Sunday in Lahore. She was 66.

The death was confirmed by her daughter [Munizae Jahangir](#), who said the [cause was a heart attack](#).

Ms. Jahangir, a human rights lawyer, had a reputation for [speaking truth to power](#) and defending the weak and the marginalized and women and minorities against injustice. She [gained international acclaim](#) for being the conscience of a country where liberal, secular voices have continuously been under threat.

Interestingly, *The New York Times* said that her daughter confirmed she died of a heart attack (*Pakistani The Sindh Times* [agreed](#)), while the sources *Wikipedia* used said officials at the hospital confirmed that the cause of death was a brain hemorrhage (stroke).

Officials at the private hospital where Jahangir passed away said she was brought to the hospital unconscious after suffering brain hemorrhage resulting from a stroke.

They added that despite several attempts to bring her blood pressure back to normal, she passed away in a state of unconsciousness.

# Man commits suicide in front of White House Saturday

By: **Justin Thompson-Gee** [Facebook](#) | [Twitter](#)

Posted: Mar 3, 2018 11:30 AM CDT

WASHINGTON – A man committed suicide in front of the White House on Saturday after he pulled out a concealed handgun, authorities said. No one but the shooter was injured.

The U.S. Secret Service said that medical personnel were called to respond to the male victim, but he was declared dead at the scene.

The Metropolitan Police Department, who are leading the investigation into the shooting with the support of the Secret Service, identified the shooter on Sunday as Cameron Ross Burgess, 26, of Maylene, Alabama. The police department did not disclose any potential motives for the suicide.

"The subject approached the vicinity of the North White House fence line and removed a concealed handgun and fired several rounds, none of which appear at this time to have been directed towards the White House," the Secret Service said in a statement shortly after the incident on Saturday.

# Former Senate Intelligence Committee director of security indicted, arrested for lying to FBI about leaks to reporters

by Christian Datoc | June 07, 2018 10:34 PM

Jim Wolfe, a longtime former director of security at the Senate Intelligence Committee, was indicted and arrested Thursday night for giving false statements to FBI agents during their investigation into leaks of classified information to the media.

According to the [Department of Justice](#), Wolfe lied to FBI agents back in 2017 "about his repeated contacts with three reporters, including through his use of encrypted messaging applications."

Wolfe is also accused of making false statements about providing "non-public information related to matters occurring before the [Senate Intelligence Committee]" to two additional reporters.

23. Between in or around September 2017 and continuing until at least in or around December 2017, REPORTER #3 and WOLFE regularly communicated with each other using the anonymizing messaging application Signal, text messages, and telephone calls.

**REPORTER #3 PUBLISHED INFORMATION ABOUT MALE-1  
THAT WAS DISCLOSED TO HER BY THE DEFENDANT**

24. On or about October 16, 2017, WOLFE informed REPORTER #3, using Signal, that he had served MALE-1 with a subpoena to appear before the SSCI.

25. On or about October 17, 2017, REPORTER #3 asked WOLFE, using Signal, to provide REPORTER #3 with MALE-1's contact information, and WOLFE agreed to do so. Later that day, a news organization published a story, under REPORTER #3's byline, reporting that

7

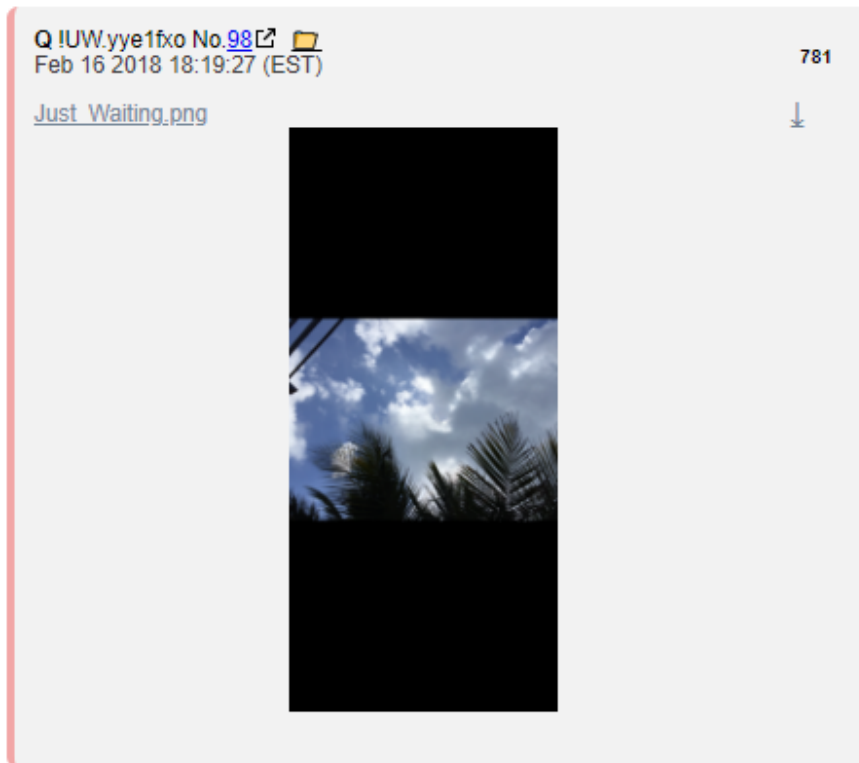

MALE-1 had been subpoenaed to testify by the SSCI, and that MALE-1 had been contacted by the news organization for comment. After the story was published, WOLFE congratulated REPORTER #3, using Signal, stating "Good job!" and "I'm glad you got the scoop." REPORTER #3 wrote back, using Signal, "Thank you. [MALE-1] isn't pleased, but wouldn't deny that the subpoena was served."

Journalists were dismayed to discover that prosecutors were actually able to quote the Signal messages in the indictment. Wolfe allegedly wrote to one reporter, “Good job!” and “I’m glad you got the scoop.” The reporter messaged back, “Thank you. [MALE-1] isn’t pleased, but would deny that the subpoena was served.” Signal is generally regarded as one of the most secure encrypted messaging apps available, and many reporters rely on its services to communicate with confidential sources. So does this indictment prove that Signal isn’t as protected as we all thought?

Trump arrived at Palm Beach International Airport in West Palm Beach, Florida at 5:40 PM EST on February 16, 2018. Q posted the picture of the palms at 6:19 PM EST, so 39 minutes after Trump's plane arrived. Q named the picture "Just\_Waiting.png." Was this image taken right when they got off the plane, just for us? Possibly.

In West Palm Beach, Florida, on February 16, 2018, the sun set at 6:13 PM, so 33 minutes after Trump's plane was said to have arrived.

To me, the picture looks like it was taken mid-day rather than close to sunset (would've been within 39 minutes of it), but maybe I'm wrong. Either way, it is clear what Q is trying to tell us: someone that is a part of the Q team is with Trump in Florida.

Another theory: someone going to Florida with Trump arrived before him on a separate plane, and took that picture that looks like it was taken earlier in the day, and named it "Just\_Waiting.png," signifying they were waiting for Trump's plane to arrive? Who knows.

Either way, the message is the same: member(s) of the Q team are in Florida with Trump.

## Driver of van slated to be in Trump motorcade detained for having gun

Reuters Staff

2 MIN READ

PALM BEACH, Fla. (Reuters) - The driver of a van carrying journalists covering President Donald Trump was detained on Monday after Secret Service officials found a gun in his bag during a security sweep before the vehicle was to drive onto the president's Florida property.

The Secret Service said no one had been put in danger.

The male driver told reporters he had forgotten to leave his personal firearm in another vehicle.

He and the other drivers of three media vans were replaced before the vehicles drove on to Trump's Mar-a-Lago compound, where the vans joined the president's motorcade.

"The individual was found to be in lawful possession of a prohibited item (firearm) outside the secure area at a Secret Service security screening checkpoint," the Secret Service said in a statement.

The man could be seen being questioned as journalists were driven away from the area where the security sweeps had taken place.

# U.S. imposes more North Korea sanctions, Trump warns of 'phase two'

Steve Holland, Christine Kim

8 MIN READ

WASHINGTON/SEOUL (Reuters) - The United States said on Friday it was imposing its largest package of sanctions to pressure North Korea to give up its nuclear and missile programs, and President Donald Trump warned of a “phase two” that could be “very, very unfortunate for the world” if the steps did not work.

“If the sanctions don’t work, we’ll have to go phase two,” Trump said. “Phase two may be a very rough thing, may be very, very unfortunate for the world. But hopefully the sanctions will work.”

Trump gives a speech:

*“And, by the way, we’re having tremendous plans coming out now, health care plans, at a fraction of the cost that are much better than Obamacare. **And except for one senator**, who came into a room at 3:00 in the morning, and went like that [thumbs down], we would have had health care, too. We would have had health care too. Think of that.*

*But I think we may be better off the way we’re doing it. Piece by piece by piece, Obamacare is just being wiped out. The individual mandate essentially wipes it out. I think we may be better off. And people are getting great health care plans and we’re not finished yet. But, remember, one person walked into a room, when he was supposed to go this way [thumbs up], and he said he was going this way [thumbs up], and he walked in and he went this way [thumbs down] and everyone said, what happened? What was that all about? Boy, oh, boy, who was that? I don’t know. I don’t know. I don’t know. I don’t want to be controversial, so **I won’t use his name**. Okay. What a mess.”*

WASHINGTON — All week long, Senate Democrats had quietly grouched that Senator John McCain made a stirring return to the Senate after a brain cancer diagnosis, that he preached the virtues of bipartisanship — and that he then backed a Republican-only push to replace the Affordable Care Act.

But early Friday morning, Mr. McCain, showing little sign of his grave illness, strode onto the Senate floor as the [vote was being taken to repeal it](#), and shocked many of his colleagues and the nation. He sought recognition from the vote counters, turned his thumb down, and said “no.” There were gasps and some applause.

He had just derailed the fevered Republican effort to undo the Obama-era health care law.

Earlier that day, at the White House, Trump hosted some of the survivors of the Parkland, FL, shooting that occurred a week before. He held a note card in his hand, which was caught by cameras (and ridiculed by MSM, especially for number 5).

## Possible additional meaning of 5:5

### Details

The term has its origins in the [Q code](#) used for commercial radiotelegraph communication, and later adopted by other radio services, especially amateur radio. The first number is the answer to the question "How do you receive me?" (Q code QRK), typically answered with "I am receiving (1–5)" where 1 is unreadable and 5 is perfect. The second number is the answer to the question "What is the strength of my signals?" (Q code QSA), typically answered with "The strength of your signals is ... (1 to 5)". "5 by 5" was the answer to the QRK/QSA questions to indicate the best quality signal. "5 by 5" being the best quality was applied to other things by analogy.

The U.S. Army Radio Operator's Manual, FM 24-6 (1945 version) defines the report format as follows:

Report	Readability	Signal Strength
1	Unreadable	Scarcely perceptible.
2	Readable now and then	Weak.
3	Readable but with difficulty	Fairly good.
4	Readable	Good.
5	Perfectly readable	Very good.

The modern equivalent of that manual is ACP131(F),<sup>[3]</sup> which includes these entries:

Signal	Question	Answer, Advice, or Order
QRK	What is the intelligibility of my signals (or those of...)?	The intelligibility of your signals (or those of...) is... 1. bad. 2. poor. 3. fair. 4. good. 5. excellent.
QSA	What is the strength of my signals (or those of...)?	The strength of your signals (or those of...) is... 1. scarcely perceptible. 2. weak. 3. fairly good. 4. good. 5. very good.

"Five by five" (occasionally written "5 by 5", "five-by-five", "5 × 5", "5-by-5" or even just "Fives"), by extension, has come to mean "I understand you perfectly" in situations other than radio communication. Further shortened forms are "five by", "fivers" and "fifers". Post-World War II, the phrase "loud and clear" entered common usage with a similar meaning.

*[SIG\_5:5\_READ] – SIG = signal*

*He hears us, loud and clear.*

**Edit (6/15/2018): Q basically confirmed this 5:5 theory.**

The House Permanent Select Committee on Intelligence released its report on the findings of the Russia investigation Friday, which showed that FBI agents “did not detect any deception during [Former National Security Advisor Michael] Flynn’s interview.”

Flynn, President Trump’s first national security advisor, **pleaded guilty in December 2017** to “willfully and knowingly” making false statements to the FBI during interviews on meetings he took with Russian Ambassador to the United States Sergei Kislyak. The report specifically highlights that Flynn pleaded guilty despite bureau agents determining that there was no “deception” in his interview.

Trump gives a speech:

*"Well, welcome to the 2018 White House Easter Egg Roll. So many people. You know, it was supposed to be pouring, the weather. It was supposed to be very rainy and nasty and cold and windy. And look what we have: perfect weather. Perfect weather. Beautiful weather."*

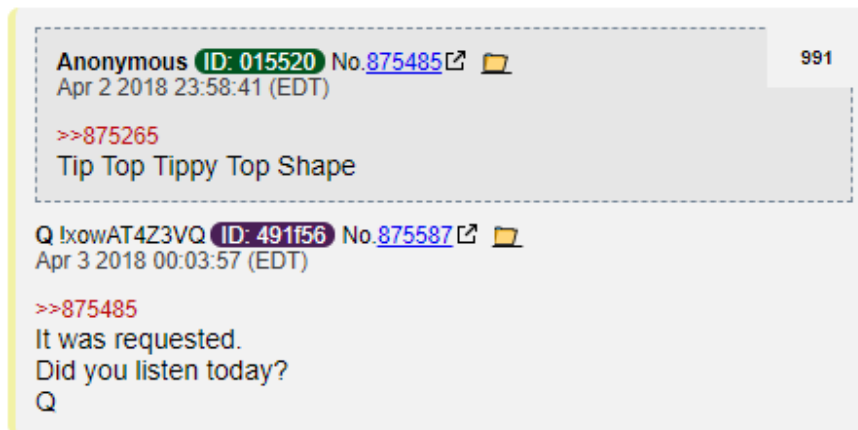

*"Thank you all for being here, folks. Thank you all. I want to really thank the First Lady, Melania, who has done an incredible job. She worked so hard on this event, and I so want to thank you. (Applause.) That's beautiful."*

*"Also, I want to thank the White House Historical Association and all of the people that work so hard with Melania, with everybody, **to keep this incredible house, or building, or whatever you want to call it — because there really is no name for it; it is special — and we keep it in tip-top shape. We call it sometimes tippy-top shape. And it's a great, great place."***

*We had to wait a while for this one, but it did come.*

*It seems like when he does things like this for us, he does it in a way that calls attention to it, and because of this it often makes the news. MSM, like they have many times in the past, mocked him for this one – for not knowing what to call the White House (“incredible house, or building, or whatever you want to call it”) and for saying “tippy-top shape.”*

## *Trump Plans to Send National Guard to the Mexican Border*

By [Julie Hirschfeld Davis](#)

April 3, 2018

[Leer en español](#)

WASHINGTON — The White House said Tuesday night that President Trump planned to deploy the National Guard to the southern border to confront what it called a growing threat of illegal immigrants, drugs and crime from Central America after the president for the third consecutive day warned about the looming dangers of unchecked immigration.

Mr. Trump's advisers said Monday that he was readying new legislation to block migrants and asylum seekers, including young unaccompanied children, from entering the United States, opening a new front in the immigration crackdown that he has pressed since taking office. But in remarks on Tuesday that caught some of his top advisers by surprise, he suggested the more drastic approach of sending in the military to do what immigration authorities could not.

## China's president offers U.S. possible trade concessions

By **Joe McDonald and Gillian Wong**  
Associated Press

APRIL 10, 2018, 7:31 AM | BEIJING

**P**resident **Xi Jinping** set the stage Tuesday for a possible effort to resolve a worsening clash with Washington over technology and trade by promising to cut auto import taxes, improve intellectual property protection and boost imports.

Xi, the country's most dominant leader since at least the 1980s, said Beijing will "significantly lower" tariffs on auto imports this year and ease restrictions on foreign ownership in the auto industry "as soon as possible."

CHONGQING, China — For more than a decade, Chinese automakers have been talking about starting large-scale exports to North America and Europe, prompting periodic worries in the West that companies like General Motors, Ford and Volkswagen might be crippled by Chinese competition the way they were by Japanese imports a generation ago.

## Dozens Suffocate in Syria as Government Is Accused of Chemical Attack

By BEN HUBBARD APRIL 8, 2018

BEIRUT, Lebanon — Dozens of Syrians choked to death after a suspected chemical attack struck the rebel-held suburb of Douma, east of Damascus, with aid groups on Sunday blaming President Bashar al-Assad's government for the assault and [Western governments expressing outrage](#).

Rescue workers in Syria reported finding at least 42 people dead in their homes from apparent suffocation, and antigovernment activists circulated videos of lifeless men, women and children sprawled out on floors and in stairwells, many with white foam coming from their mouths and nostrils.

A stream of patients with burning eyes and breathing problems were rushed to clinics after the attack at dusk on Saturday, medical and rescue groups said.

Interview with Vladimir Putin

**Vladimir Putin:** You just said there is proof accepted by everyone that al-Assad used chemical weapons. Well, not by everyone. Our experts tell it differently. For example, the case that was the reason for missile strikes against Syria after the alleged chemical attack in the city of Douma.

Look. The Syrian troops liberated that area. We immediately suggested to our partners that the OPCW commission go there, it is a UN unit, the Organisation for the Prohibition of Chemical Weapons. They headed for Syria, and reached a neighbouring country, Lebanon I think. But, instead of waiting one or two days and allowing the commission to work on the site, a missile attack was made on Syria.

Tell me, please: is this the best way to ensure the objectivity of what happened there? I do not think so. I think it was an attempt to create conditions that would make it impossible to investigate thoroughly. That is what it was.

After that, we found people there who admitted to having participated in staging the chemical attack. If you did not see it, it would be very useful for objectivity, so that your viewers could have their own opinion on this matter.

We're supposed to connect "baby on floor hands in mouth" to Syria chemical weapons? I think I'm way behind the curve here.

>Facts about Chlorine

Chlorine is used in industry and in household cleaning products. Chlorine was also the first poison gas to be used as a weapon during World War I.

The connection is there once its revealed. We were a little slow on that one.

I get the basic chemical connection but baby on floor, etc doesnt make the connection to chemical false flag in syria to me. unless baby on floor means [F]all and hand in mouth means [F]eed

The connection is simply chlorine...not false flag.

Keep in mind that every crumb is not meant to be solved before the event. Some of the drops are things for anons to dig on and make connections with, others are markers for future reference.

>[future proves past]

Some drops are just simply communication to the anons.

What needs to be understood to appreciate what's going here is the fact the Q is basically creating a circular flow diagram that can be referenced and cross-checked with news releases. Q can't just disclose specifics about a situation or operation without violating security protocol. Instead they drop questions and statements that lead to answers that can be understood once the subject becomes public. This provides the validation necessary for the public to believe The Great Awakening is legit. Disinformation and misdirection with Q is real. In other words Q is pointing over there but really the focus is here and only until you publicly get the news can you go back and understand. (Think SA drops) All of this is accomplished without giving up specific details about the operation. It's quite genius.

'THE US MISSION HAS NOT CHANGED'

## White House insists Trump still planning to pull US troops out of Syria

Statement comes after French President Macron says he convinced his US counterpart to stay engaged in Syria 'for the long term'

The White House said Sunday that US President Donald Trump still wants American troops to exit Syria as soon as possible, after the French president said he persuaded Trump to stay in Syria and launch airstrikes as punishment for an alleged chemical-weapons attack.

“The US mission has not changed — the President has been clear that he wants US forces to come home as quickly as possible,” White House spokeswoman Sarah Huckabee Sanders said in a statement.

Q

DEAFENING blasts shook many in the Syrian capital awake as the US-led attack began.

The dark sky was lit up by fireballs as the missiles — what US Donald Trump called “precision air strikes” — began to rain down on Damascus. The hour-long assault triggered Syrian air defences attempt to shoot down the tomahawk missiles, and that action could be seen and heard throughout the capital.

“April Showers,” which Q first said 10 days before the attacks, was a reference to missiles “raining down.”

## Deputy AG Rod Rosenstein tells confidants he is prepared to be fired

Under fire, the deputy attorney general has invoked a Martin Luther quote to say he stands by his actions.

by Julia Ainsley / Apr. 13, 2018 / 12:33 PM ET / Updated Apr. 13, 2018 / 12:45 PM ET

WASHINGTON – Deputy Attorney General [Rod Rosenstein](#) has struck a stoic and righteous tone in private conversations he has had this week about the fate of his job as President Donald Trump has launched public criticism against him and considered firing him, according to three sources who have spoken to Rosenstein.

Expect President Trump to fire Deputy Attorney General Rod Rosenstein in the next few days. Maybe he won't do it. Maybe he'll change his mind. But Trump is apparently livid at Rosenstein and both [The Washington Post](#) and [CNN](#) have reported that he is actively contemplating Rosenstein's removal. Trump urged people on Twitter last night to watch Sean Hannity, who in turn invited on his show a guest who egged the president on in firing his deputy attorney general. The air in Washington right now is thick with Rosenstein's imminent removal.

## ***Southwest Airlines Engine Explodes in Flight, Killing a Passenger***

By [Liam Stack](#) and [Matt Stevens](#)

April 17, 2018

One person was killed and seven others sustained minor injuries on a Southwest Airlines flight from New York to Dallas when an engine exploded in midair on Tuesday, shattering a window that passengers said partially sucked a woman out of the aircraft.

The explosion, which happened about 20 minutes into the flight, prompted a desperate effort among flight attendants and passengers to save the woman, identified as Jennifer Riordan, a Wells Fargo executive from Albuquerque. After the plane landed, Ms. Riordan was taken to a hospital, where she was pronounced dead.
