Community Against Hate-Imagery

Here we will attempt to gather the names of those within the derpibooru community that wish to make a stand against hate-imagery.

Hate-Imagery: Anything that attempts to normalize or promote hateful ideologies.

Community: You. Artists. Uploaders. Taggers. People who just like ponies. **Bronies, all of us**.

Leave **one** comment here. **Each comment** is one voice raised in support of this topic. This is not the place for arguing, shitposting, discussion, or derailing. **If you post here, you will be considered onboard with this movement to free our community of racism.** This is not where to vent, this is just a count.

Do **not** post under your name. Staff can see your account and will know you are genuine. Remain logged in and **post as anon**, please.
